\* Online content – completed in participant's own time

\*\* Live Programme Modules/Peer Coaching Sessions – these are fixed time live sessions on Zoom

Session timings – in order to gather an international group we had to think carefully about time zones. **The times listed fall between 10:00 - 13:00 GMT (Greenwich Mean Time).** Please note that in some countries this means that times will shift by an hour around the equinox so we have added BST (British Summer Time) where relevant. Please refer to the specific session times above.
